MARKET STRATEGY SESSIONS

WHY SHOULD I PARTICIPATE?

Experience it

See how active investors use the **Investor Toolbox**[®]. Watch how an experienced investor uses it and pick up practical skills you can apply to your own trading. All sessions allow you to hear the coaches' voices and see their computer screens in real time.

Apply what you learn

Trading Rooms enable you to reinforce what you have learned in your courses by seeing how those concepts apply.

Learn from today's market conditions

A great advantage to Trading Rooms is that trading examples are from current market conditions.

Hear a variety of perspectives

Trading Rooms allow you to hear from numerous coaches who specialize in a variety of subjects, so you receive expertise from up to a dozen coaches every week.

Become part of an online community

Get insight, exchange ideas and connect online with other investors who use the Investools Method[®].

View the presentations at your convenience

Can't make the scheduled session? Then view the recorded Webcast as many times as you'd like, whenever you'd like.
